REPORTING GRADUATION CREDITS

- Using FY23 graduates as a baseline, we found issues with

    - Reporting elective credits

    - Reporting science credits

    - Reporting world history credits

- Communications to districts have raised other concerns

- What are your concerns about reporting and using this data?

- How easy is it to correct the credit data?

- Anything else you would ask us to do to help?

EWS DATA REVIEW

- We are calculating data in six areas

  - Attendance

  - Course grades

  - Discipline

  - Assessment results

  - Enrollment/demographics

  - Indicators and risk levels

EWS ATTENDANCE DATA

- Year to date attendance percentage

- Attendance percentage at "shared" districts/schools

- Attendance percentage at prior districts/schools

- Attendance percentage in latest "Term" (nine week rolling window)

- Change in "Term" attendance over time

EWS COURSE DATA
