6.1 FINANCIAL RECORDS OVERVIEW

UNIFORM SCHOOL ACCOUNTING SYSTEM

The Uniform School Accounting System (USAS) structure involves an account number with distinct dimensions. To meet the requirements of ORC §3301.0714, it will be necessary for school districts to maintain their financial records at specified minimum levels of detail for each dimension. The detail for each of the dimensions is listed below. The requirements for the function code of expenditures are listed in a table followed by the requirements for the receipt information. This information can be found in the next section.

The requirements for some code sets are listed in the USAS Manual, www.auditor.state.oh.us/services/lgs/publications/LocalGovernmentManualsHandbooks/uniform_school_accounting_system_user_manual.pdf, and technical bulletins issued since the publication of the manual.

Special Cost Center

A special cost center is a four-digit code that tracks costs for temporary or specific needs in defining funds. This code is required by state and federal mandates to subdivide funds into project year, etc.

Subject

The subject is indicated by a six-digit code that identifies specific educational costs. The major subject areas (e.g., math, science, etc.) will be used for grades 9-12. Two digits are required for all major subject areas as well as elementary physical education, art, and music.

Operational Unit (OPU)

The operation unit is indicated by a three-digit code that identifies the permanent operational entity (e.g., building, office, etc.).

- Building or logical physical unit
- If expenditure is not limited to a specific number of buildings, then no OPU is required and the district-wide/undistributed OPU will be assumed.

Instructional Level

The instructional level is indicated by a two-digit code that specifies the various grade levels or educational levels in the district. Valid options can be found in the USAS Manual.

Job Assignment

The job assignment is a three-digit code to relate staff costs to assigned activity. (Not required.)

Receipt Codes

A receipt code is four-digit code that classifies receipts by source and type for the various funds to which they are applied.

Additional information about the receipt codes can be found in the USAS Manual.
