COMING CHANGES

~~The coming changes sections of the EMIS Manual provide a means to share with the field currently known information about upcoming changes. The final details of these changes have not all been determined at this time, however, those currently known are included here. Once all relevant details of the change(s) are known, the main text of the EMIS Manual section will be updated and the change(s) will be removed from this list.~~

~~—————At this time, there are no FY18 EMIS changes known to impact the Student Transportation (FP) Record.~~

~~The EMIS Manual is a living document, and each fiscal year’s version is updated throughout the school year. For information regarding specific known changes that may impact the elements in this section, see the appropriate FY Change Information document on the EMIS Manual webpage.~~

Definition	The locally determined EMIS student ID.

Valid Options

- Nine-digit ID used by the school district

Reporting Instructions. The EMIS ID is the district-determined number that is used by districts for student tracking. This number uniquely identifies each student within the district. The school district is responsible for assigning this number. The EMIS Student ID Number is for local use only and is not submitted to ODE.

Districts should not eliminate this number from their systems with the implementation of the SSID. The SSID is used for EMIS reporting purposes.

Defining a Unique Record

Each EMIS record has specific fields that must be unique on each row of data reported to ODE. For the Student Transportation (FP) Record, each combination of values in the following fields must be unique.

Required Fields	Number
EMIS Student ID	FP060
