General Guidelines

The EMIS reporting entity that employs the staff member is responsible for reporting one Staff Demographic (CI) Record for each staff member. In most circumstances the Staff Demographic (CI) Record is not required to be reported by the resident/educating district for the contracted staff member who provides services or teaches a course. See Section 3.5 Contractor Staff Employment (CJ) Record for more information about reporting contracted staff.

When reporting the Absence Days Element, Absence Days/Long Term Illness Element, and the Attendance Days Element, a day is defined as the period of time the staff member normally spends at his/her work site(s) during a 24-hour period. This may vary from staff member to staff member.

When reporting a long term illness, report the days absent in both the Absence Days Element and also the Absence Days – Long Term Illness Element.

Staff Demographic Data Elements

The following portion of this section discusses each of the data elements within the Staff Demographic (CI) Record. The elements are organized alphabetically.

☀ Absence Days Element

Record Field Number	CI150
Definition	Total number of days the staff member was absent during the period from July 1 through June 30 due to all causes except professional meetings, vacations, or holidays.

Valid Options

000.0 – 999.9

Reporting Instructions. This element is only reported during the Final Staff/Course (L) Collection. It is not required for a staff member reported with the options 800-899 in the Position Code Element.

Maintain absence according to district policy, but when reporting for the Final Staff/Course (L) Collection, round partial absences to the nearest tenth. Include absences that are covered by sick leave, personal leave, or other forms of leave.

Do not count a staff member as absent prior to the effective date of his/her contract. Do not include days a staff member who has resigned or has been dismissed from and/or after the effective date of such resignation or dismissal.

☀ Absence Days – Long Term Illness Element

Record Field Number	CI155
Definition	At least 15 consecutive days absent due to an illness of the staff member, his/her spouse, child or parent.

Valid Options

000.0 – 999.9

Reporting Instructions. A long-term illness must be 15 consecutive work days or more, regardless of whether or not the staff member is paid (or unpaid) during his/her absence.

“Long term illness” includes an illness of the staff member, his/her spouse, child or parent, in accordance with the federal Family and Medical Leave Act of 1993 (Public Law 103-3, enacted February 5, 1993). There is no minimum for a workday. Staff members work different hours per day. This element also applies to both full-time and part-time employees. Therefore, an individual who works part time and is absent for 15 or more consecutive work days is to be reported in this element. Long-term illness does not count against the staff attendance rate.

Absence days that are reported in the Absence Days – Long Term Illness Element must also be reported in the Absence Days Element. For instance, if a staff member is absent for 20 consecutive days, 20 days would be included in both the Absence Days Element and the Absence Days – Long Term Illness Element.

☀ Attendance Days Element

Record Field Number	CI140
Definition	Total number of days the staff member was in attendance during the period from July 1 through June 30.

Valid Options

000.0 – 999.9

Reporting Instructions. This element is only reported during the Final Staff/Course (L) Collection. It is not required for a staff member reported with the options 800-899 in the Position Code Element.

Maintain attendance according to district policy, but when reporting for the Final Staff/Course (L) Collection, round partial attendance to the nearest tenth. Include attendance at professional meetings approved by the district. This includes parent-teacher conference days.

Do not count vacation days or holidays. Do not count staff as in attendance prior to the actual starting date of their contract. Do not include days for staff members who have resigned or been dismissed from and after the effective date of such resignation or dismissal.

 **Authorized Teaching Experience Years Element**

Record Field Number	CI200
Definition	Total years of authorized teaching experience.

Valid Options

00 – 99

Reporting Instructions. This element is reported only for certified/licensed employees. It is extremely important to update this element each year. In some cases this element is used for funding purposes. It is also used to determine eligibility for the National Board Certification exam.

Non-authorized experience (i.e., teaching service in a college, a university, or a related institution, including the Peace Corps) is not to be included. However, it can be reported in the Total Experience Years Element.

Report the total number of years, even if the total exceeds 11 years. Authorized teaching experience years should be updated during the following year’s reporting. For example, a new teacher would have “0” authorized teaching experience years in both the Initial and Final Staff/Course (L) Collections of the current school year; this number would be updated to “1” during the following year’s reporting. The number of authorized teaching experience years reported for an employee should be the same in in both Staff/Course (L) Collections of the current school year.

General criteria for determining authorized teaching years of experience. One year must consist of at least 120 days within a regular school year ending June 30. To be credited with an authorized year, teachers must be employed as a regular or substitute teacher, in elementary or secondary instruction (ORC §3317.13).

Required criteria for determining authorized teaching years of experience.

- Teaching service by a teacher certified pursuant to ORC §3319.22 performed in one or more of the following educational institutions operated by the state, or in a subdivision or other local governmental unit of the state: a chartered school, an institution that subsequently became chartered, a chartered special education program, or a special education program that subsequently became chartered.

- Teaching service performed in any other elementary and/or secondary public school district in Ohio in compliance with ORC §§3317.13 and 3317.14.
- Active military service in the armed forces of the United States, as defined in ORC §3307.75.2, to a maximum credit of five years. A partial year of active military service of eight continuous months or more should be credited as a full year.
- Teaching service by a teacher certified pursuant to ORC §3319.22, performed in a chartered, nonpublic school located in Ohio.
- Teaching service performed in the reporting school district.

Optional criteria for determining authorized teaching years of experience.

Valid Options

A 2 letter, 7 number string: XX9999999

Reporting Instructions. For all staff reported in EMIS, this number is determined as follows:

- For any staff member (regardless of position) ever issued a credential by ODE, the State Staff ID will be the ID number/PIN found on a certificate, license, permit, or other credential issued by the ODE Office of Educator Licensure, or
- For any staff member that has never been issued a credential by ODE, the State Staff ID will be a unique ID assigned by the EMIS reporting entity that follows the ODE required format below.

A State Staff ID assigned by an EMIS reporting entity (often called a “Z ID”) must meet the following criteria:

- The first character of the ID must be “Z”.
- The second, third, and fourth characters must match the State Staff ID Prefix for the reporting entity, as assigned by ODE and published in the EMIS section of the ODE web site. The second position will be a letter, and the third and fourth positions will be numbers.
- The final five characters are a number from 00001 to 99999 that the district will assign to a specific staff member. This number will remain unchanged for this staff member in this district, and cannot be re-used for another staff member if the original assignee leaves the EMIS reporting entity.

Note that the Z ID is district-dependent. The Z ID of a particular individual will change if they change employment from one district to another. A staff member with an ODE credential will provide their State Staff ID to the district, and/or the district will look up the ID using the CORE Educator Profile application via the ODE web site. A staff member without an ODE credential will have a Z ID assigned by the district, and this ID will not have relevance for any context outside of data reporting to ODE.
