ODE Processing

Process Description

The report is generated during the weekly EMIS processing cycle using predominately **Staff Employment** data. It must run in the cycle after the update of the PROPER CERTIFICATION FLAGS to ensure that the APPROVED UNITS are properly calculated for the report.

Data Source

The primary data source is the **STAFF EMPLOYMENT** file, using data as it is submitted by the district. During the processing cycle, the **Staff Employment** records have fields/flags added when the data are compared to the **Teacher Certification** records; the critical one for this report is the PROPER CERT FLAG, set to “Y” when the OHIO CREDENTIAL ID is found on this file.

Staff Demographic and **OEDS** records are used for informational elements on the report.

Report Selection Criteria

The following are used as filters in determining which records appear on the report.

- JOB_POS_ASSIGN_CODE =
 - “202” Counselor
 - “203” Library/Media Specialist
 - “320” Registered Nurse
 - “323” Social Worker
 - “330” Visiting Teacher
 - “230” Art, Music, Physical Ed
- If JOB_POS_ASSIGN_CODE = “230” and
JOB_ASSIGN_AREA =
 - “999418” (Physical Education),

 - “999050” (Art Education)
- TYPE OF APPOINTMENT = “1”, “2”, or “3”
- POSITION STATUS not = “P” or “U”

Header Information

The first area of the header describes information about the report generation. The upper left section names the program from which the report was generated and the data source. The middle information identifies the producer of the report and the report title. The upper right section states the date on which the report was generated, the page number, and the reporting period to which the report belongs.

The second area of the header pertains to the recipient of the report. It identifies the district for which the report was produced, its IRN and COUNTY, the ITC and AREA COORDINATOR of the district.

There are two sections to the report:

- A list of ESP staff within the district
- A list of ESP positions within the district

Revision Date October 22, 2008

Each of these sections has its own column headers indicating the data described on each detail line.

Detail Information

The first section lists the ESP Staff. Each detail line contains:

STATE ID # reported as OHIO CREDENTIAL ID
NAME reported as EMPLOYEE NAME
POSITION hard-coded in program based on POSITION CODE
FTE APPROVED if no errors, POSITION FTE times POSITION FUND SOURCE PERCENT
FTE NOT APPROVED if errors, POSITION FTE times POSITION FUND SOURCE PERCENT

Not Approved reason can be one of three, based on situation found when report is created:

1. *“Invalid Certification”*
2. *“Invalid Fund Source”*
3. *“Total FTE’s Greater than 1.0”*

As the detail lines are printed, the approved and not approved FTE are accumulated. These total amounts are printed at the end of the staff list.

The second section of the report lists the ESP positions. Each detail line contains

POSITION CODE as reported
 Position Description hard-coded in program
 Under “Educational Services Teacher”, the three valid assignment codes are listed
 If there are any FTE for these positions, they will have a subtotal FTE printed
FTE APPROVED if no errors, POSITION FTE times POSITION FUND SOURCE PERCENT
FTE NOT APPROVED if errors, POSITION FTE times POSITION FUND SOURCE PERCENT

The FTE for the approved and not approved columns are accumulated as each staff member is processed, adding the totals to a position FTE array. There is no error reasons listed on this page. Therefore, causes of **FTE NOT APPROVED** numbers should be researched based on the first section of the report.

As the detail lines are printed, the numbers are accumulated and the total **FTE APPROVED** and **FTE NOT APPROVED** are printed at the bottom of the page.

Error Detection and Correction

If there are discrepancies between the report output and the district's expectations, the data input of the following fields needs to be verified:

- POSITION CODE
- POSITION FTE
- POSITION FUND SOURCE
- ASSIGNMENT AREA
- POSITION STATUS
- POSITION TYPE
- TYPE OF APPOINTMENT

Refer to the [selection criteria](#) and verify that these elements have values that will pass the filters.

Particular attention should be paid to the possible causes of the error messages:

- *“Invalid Certification”*
Is the OHIO CREDENTIAL ID/EMPLOYEE ID the valid Certification ID under which the staff member is certified?
- *“Invalid Fund Source”*
Is the fund source entered for this staff member one of the filter values? Is it in the same record as the ESP POSITION CODE and/or ASSIGNMENT AREA?
- *“Total FTE's Greater than 1.0”*
Is this number entered correctly? If the staff member has more than one ESP position, verify that the POSITION FTE and POSITION FUND SOURCE PERCENT are correct?
