

EMIS Change 24-38: GW collected in Exiting Student Follow-Up Collections
Public Comment open from February 6 through March 7

EMIS Change 24-38

This change updates the EMIS Manual to show that Industry Credentials (GW) are reportable during the Initial and Final Exiting Student (S) Follow-Up Collections.

Update (Feb. 8, 2023). There has been an update to this change since the original posting. GWs are reportable during the Initial Exiting Student (S) Follow-Up Collection. GWs are **not** reportable during the Final Exiting Student (S) Follow-Up Collection. This update is highlighted below.

SECTION 2.8: STUDENT ASSESSMENT (FA) RECORD

Required Collections

The Student Assessment (FA) Record and the relevant elements are to be reported as follows.

Assessment Name (Assessment Short Name) – Assessment Type Code	Assessment (A)	Graduation (G)	Exiting Follow Up, Initial and Final (S)
Industry Credential (Industry Cred) – GW	✓	✓	✓
