

### EMIS Change 24-71

This change removes graduation point language from the Score Not Reported options.

**Update (June 29, 2023).** This change document has been updated since the original posting. Score Not Reported options W and 2 are no longer being deleted. Reporting guidance has been updated to clarify the reporting of these two codes for prior years. Updates are **highlighted** below.

## SECTION 2.8: STUDENT ASSESSMENT (FA) RECORD

### ☀ **Score Not Reported**

Record Field Number	FA235
Definition	Identifies the reason why the student did not take the required assessment and/or does not have a score to report.

#### **Valid Options**

- W Assessment score not reported because student received graduation credit for assessment area **due to course completion prior to end of course assessment availability** or due to an assessment administration being canceled due to the COVID-19 ordered school building closure in school year 2019-2020 or due to the COVID-19 related flexibility for juniors and seniors in school year 2020-2021; number in score field represents number of graduation points earned
- X Assessment score not reported because student received graduation credit for assessment area due to completion of a dual credit course; for End of Course Tests (GE), number in score field represents **the grade the student received in the course number of graduation points earned**; for CTE Technical Assessments (GY), value in score field represents student's proficiency
- Y Student transferred in with course already completed out of state or while being homeschooled; **number of required graduation points reduced**
- 2 Assessment score not reported because student received graduation credit for alternative Non-Public school EOC assessment prior to public district enrollment; Number in score field represents number of graduation points earned. **Only used for students in the FY2022 or earlier graduation cohorts.**

#### **Reporting Instructions.**

**Option W.** Eligible students fall into one of **three two** groups. ~~The first group is students who received graduation credit for an assessment area due to the completion of a course before an end of course test was available for the relevant subject.~~

The **second first** group of students were scheduled to take or retake an end of course test in the spring or summer of 2020, but did not test due to cancellation of test administration due to the COVID-19 ordered school building closure. Students scheduled to take the course and exam for the first time in the spring or summer of 2020 must use the final course grade from the FY20 school year as the end of course test score. Students scheduled to retake a test may use their course grade from a previous school year as the

end of course test score. For more information, see the Ohio Student Religious Liberties Act of 2019 (House Bill 164, Section 12, 133rd General Assembly) or search the Department's website for "Graduation Flexibility Course Grade Substitution 2019-2020."

The ~~third~~<sup>second</sup> group of students were in grade 11 or grade 12 in the 2020-2021 school year and either took or retook an end of course test *or* were unable to take or retake an end of course test for any reason. For more information, see House Bill 67 of the 134th General Assembly or search the Department's website for "Graduation Flexibility Course Grade Substitution 2020-2021."

***Option X.*** To determine the number to report for End of Course test scores, see the crosswalk on the Department's webpage. For students who are using the completion of a CCP course in lieu of a CTE Technical Assessment (i.e., a WebXam), see the guidance on the Office of Career Technical Education's website under Career-Technical Education College Credit Plus Assessment for information reporting the appropriate proficiency level to report for the Score.
