Good afternoon,

Thank you for your public comment and interest in EMIS. Per our Office of Exceptional Children, the 504 plan is typically used for medical care when an IEP is in place. Some districts want the student's medical care separate from the IEP and use a 504 Plan for this situation.

Thank you,

Erica Weaston

HOW can someone be a 504 student and IEP at the same time?

Y5 Student took the standard (STR) format of the assessment with **both** 504 plan accommodations **and** IEP accommodations - ..with **a 504...or IEP**

Y7 Student took the standard (STR) format of the assessment with **504 plan accommodations, IEP accommodations**, and EL accommodations other than the use of a dictionary and/or extended time Reporting Instructions.
