

EMIS Change 25-62: Removes OGT-related math subject code
Public Comment open from April 24 through May 23

EMIS Change 25-62

This change deletes subject code 111950 Intervention Mathematics. This subject code is being deleted because it was related to the OGT. There are districts still reporting this subject code; therefore, additional guidance is being added to direct districts to report 111960, 111970, and 111980 in place of the deleted code.

SECTION 4.7: SUBJECT CODES

ACADEMIC CONTENT AREAS SECTION

Table 1. Additional High School Level Mathematics Codes (11xxxx)

Subject Code	Description	Suggested Subject Area for Credit	Core Subject Area (for proper cert)
111950	Intervention Mathematics (high school credit optional in grades 9-12, not for high school credit below grade 9) Course designed specifically as intervention for students who have taken and not yet reached the proficient standard on the Ohio Graduation Test for mathematics. Prepares students to retake the test, includes little or no new significant content, and is remedial in nature.	MTH	Mathematics
<u>Mathematics Response to Intervention Course Sequence: The following three courses are nonremedial and should coincide with instruction in specific mathematics courses along their respective Traditional or Integrated series to provide additional immediate support and intervention for students. Courses in this sequence address the content in the high school portion of Ohio’s Learning Standards for Mathematics through concrete models and real-world situations and with less emphasis on symbol-manipulation and formal mathematical structure.</u>			
111960	Mathematics Response to Intervention Support 1 This course is designed to provide <u>additional</u> support and to coincide with an Algebra 1 or Mathematics 1 course. This class is not remedial and is to provide immediate support and intervention for students.	MTH	Mathematics
111970	Mathematics Response to Intervention Support 2 This course is designed to provide <u>additional</u> support and to coincide with a Geometry or Mathematics 2 course. This class is not remedial and is to provide immediate support and intervention for students.	MTH	Mathematics
111980	Mathematics Response to Intervention Support 3 This course is designed to provide <u>additional</u> support and to coincide with an Algebra 2 or Mathematics 3 course. This class is not remedial and is to provide immediate support and intervention for students.	MTH	Mathematics
