EMIS Change 25-72

This change will allow reporting of RIMP codes in grades K-5 beginning in FY25.

SECTION 2.9: STUDENT PROGRAM (GQ) RECORD

Major Program Code Groupings

Reading Improvement and Monitoring Plan Intervention Programs. Reading Improvement and Monitoring Plans (RIMPs) are required for K-5⁴ students identified by the reading diagnostic assessment as not reading at grade level. Districts and community schools are required to report reading improvement interventions/programs provided during the school year in EMIS during the Midyear and End of Year Student (S) Collections and the SOES End of Year Student (S) Collection. Report one or more interventions for any K-5⁴ student identified as not on track for reading. Only those students on a RIMP implemented within 60 days of the diagnostic results can be reported with the RIMP Intervention Program codes. Students with improvement plans implemented more than 60 days after diagnostic result availability must be reported with other Academic Intervention codes.
