

**EMIS Change 25-73**

This change updates the table in the How Received IRN reporting instructions that indicates when a How Received IRN is required reporting. How Received options D and J are missing from this table. This change adds them. Note that similar rows were also combined in order to condense the table.

**SECTION 2.4: STUDENT STANDING (FS) RECORD**

 **How Received IRN Element**

Record Field Number	FS190
Definition	The entity from which a student is received.

**Reporting Instructions.** This element is the IRN of the district from which the student came. Unless a student is court-placed within its resident district or is not coming from a non-public school and only receiving non-instructional, supplementary, or *special education* services, the IRN must be different than the reporting IRN.
