CCP Re-Design, Cont.

▶ Payment Data

- ▶ New information to be included

Who pays for CCP?

- ▶ College provides IRN they think will pay
- ▶ ODE will use this IRN only if the SSID not found enrolled anywhere in Ohio
- ▶ If the student is enrolled, will switch IRN to where they are enrolled
- ▶ If more than one LEA has the student enrolled as of the course census date, LEA EMIS data used to determine who pays

Breaking Ties

- ▶ If only one LEA has, they pay
 - PS sent reason on FS, or
 - PS course enrollment reported
- ▶ If both or neither have, then payment is split
 - Split is based on the overall percent of time split between the LEAs
 - Split shows up in the number of semester hours

Not enrolled on census date?

- ▶ If no one has enrolled on census date, look for enrollments within 90 days
- ▶ Summer courses paid by the next district

New Reviews/Flags

- ▶ Charge me! I should pay!
- ▶ Charge them! They should pay!
- ▶ Other review types may be added- please give us your thoughts

Payment Data Table in ODDEX

- ▶ Who has student enrolled
- ▶ Are they reporting course or FS PS data
- ▶ What percents of time are being reported
- ▶ HEI reported IRN to pay
- ▶ ODE-determined IRN to pay
- ▶ Split credit amounts
- ▶ Reviews/flags set by other district
- ▶ County of Residence code
