- Will be used by ODE and Higher Ed to resolve issues
- If an escalation causes a change in status, update will appear in ODDEX

Split funding courses

- Information on report
 - Course identifiers
 - Both LEAs responsible for payment
 - Review status/not yet aged out for both LEAs
 - When data pulled
- LEAs should use the report to reconcile split
- In the end, almost no courses should be split, but there could be some

Funding Impact from Reviews

- Most review flags either stop funding or move funding for a split course
- Review flag moves the payment responsibility to the LEA placing this flag; does not impact funding; someone still pays
 - ENRL_SPLIT_BUT_MY_LEA_TO_PAY_ALL
- Review flag only stops funding for the portion of the split course assigned to the LEA that places this flag
 - ENRL_SPLIT_BUT_OTHER_LEA_TO_PAY_ALL

LEA pay but no enrollment report by LEA

- Information on report
 - Course identifiers
 - LEA reported by HEI as responsible for payment
 - Review status
 - When data pulled
- Usually a student who moved, or an incorrect SSID
- Also bad dates reported by HEI
- If should not pay, flag these students (or escalate if review window closed)

Reports to Come Soon

- Alternate agreement issues
 - Flagged by LEA
 - Missing
 - Out of range dollar amount
- Future payment report
 - projection if current data used

CCP Payment Responsibility

- LEA Payment Responsibility, continued
 - Nothing to review
 - May have to scroll right
 - Adjust browser window size
 - Data farthest right is least important
 - Used mostly for problem resolution

Who Pays for CCP?

- All enrollments that meet specific criteria
 - District relationship = 1
 - For SM term courses
 - Student is enrolled on the course census date or is enrolled within 110 days after the course census date
 - For AU term courses
 - Student is enrolled on the course census date or is enrolled within 10 days before or after the course census date

Who Pays for CCP?

- All enrollments, continued
 - For WI or SP term courses
 - Student is enrolled on course census date
 - If no LEA meets the criteria, the LEA reported by the college pays

Who Pays for CCP?

- If only one LEA has the student enrolled on the course census date, they pay
- If only one LEA meets the criteria on previous slide and they do not have the student enrolled on the census date, but do have the student enrolled on a later date, then they pay
 - i.e., No LEA has the student on the course census date, but one LEA has the student enrolled 5 days past the census date

Who Pays for CCP?

- For all remaining courses, determine which LEA has the most points based on these calculations
 - 3 points = Student enrolled on course census date
 - 1 point = Student reported with a 'PS' sent reason
 - 1 point = Student reported in a course with 'PS' curriculum code
- If 1 LEA has the most points, they pay
- If there is a tie in points, course is split based on each LEA's share of the student's total percent of time

Resolving Split Students

- We can not determine who pays, but K-12 LEAs can tell us
- Review flag moves the payment responsibility to the LEA placing this flag; does not impact funding beyond removing split
 - ENRL_SPLIT_BUT_MY_LEA_TO_PAY_ALL
- Review flag only stops funding for the portion of the split course assigned to the LEA that places this flag
 - ENRL_SPLIT_BUT_OTHER_LEA_TO_PAY_ALL
