Data Sources Supported: FA Flat file

Level 1 Reports Included: Missing and Unexpected

Level 2 Reports Included: None

Outstanding Issues: None known; however, from approximately 10 am until 1:45 pm on 3/8, the missing report was including students for some subjects who had test records included. As of 1:45 pm, the issue was resolved, so a re-prepare of the data should remove the extra students from the report. This issue had no impact on the data submitted to ODE, so LEAs that submitted to ODE prior to 1:45 pm do not have to resubmit data due to this fix to the missing report.
