EMIS Release Notes- Updated Manifest

Collection Request Name: Graduation Collection (FY18)

Description of Change: See known issues section below for updates.

Planned Availability Date: 7/31/2018

Version Number: 2

Updated Version Requires:

- **Starting a new/restarting the current collection of data?** No
- **Running a new prepare of the collected data?** For some EMIS reporting entities
- **Replacing any data already submitted to ODE with a new submission?** N/A

"Updated Version Requires" Additional Information: N/A

Known Issues Resolved: Added code to display validation errors for the Student Demographic (GI) Record, which now prevents a prepare error when an error on a GI occurs

Also, changed the column data type on the Military Compact Graduation Alternative Count Element (FN310). This change prevents a prepare error which caused the entire submission to fail if a non-number value was reported.

New or Updated Level 1 Validation:

Error #	Description of Change

New or updated reports: N/A
