

**EMIS Release Notes- Updated Manifest**

**Collection Request Name:** Fall DORP Assessment Collection FY18

**Description of Change:** Missing report has been turned on. It will display students with vendor results on the state-wide assessment vendor and/or students who meet enrollment criteria for having to report a test but the required test is not being reported by the district.

**Planned Availability Date:** 1/9/2018

**Version Number:** 2

**Updated Version Requires:**

- **Starting a new/restarting the current collection of data?** Yes
- **Running a new prepare of the collected data?** Yes
- **Replacing any data already submitted to ODE with a new submission?** No

**“Updated Version Requires” Additional Information:** Both subject tests: M and R, must be reported for the student to not appear on the missing report. The DORP Supplementary Assessments will list all FA records that are being reported, but are not found in the district’s list of student required to test. Daily updates will be made to both the missing and supplementary reports after ODE processes the district's latest student submission. Therefore, it is recommended that you review the reports regularly to ensure student (FS) and (FD) record changes are reflected accurately in both reports.

**Known Issues Resolved:** None.

**New or Updated Level 1 Validation:**

Error #	Description of Change
FA.1021	This fatal will occur if a Score Not Reported Reason of 'H' is reported for a student test who does not have results on the state-wide vendor file.
