

## EMIS Release Notes- Updated Manifest

**Collection Request Name:** Early Learning Assessment Collection FY18

**Description of Change:** The Missing report has been turned on. It will display students who meet enrollment criteria for the fall administration window or who have a result on the vendor file during the Fall test window (201708-201711). It also allows for the reporting of both Fall and Spring test administration dates.

**Planned Availability Date:** 5/17/2018

**Version Number:** 3

**Updated Version Requires:**

- **Starting a new/restarting the current collection of data?** No
- **Running a new prepare of the collected data?** Yes
- **Replacing any data already submitted to ODE with a new submission?** N/A

**“Updated Version Requires” Additional Information:** [Click here to enter text.](#)

**Known Issues:** If “FA.1002 – Duplicate Scores for Assessment Area reported” appears on the Level 1 report, it will show all records for the same subject area including ones outside of the state fall administration window. Once the duplicate error is fixed, by removing the extra records that have a Test Date, element FA 210, within the state fall administration window for the same subject test, the records with dates outside of the administration window will be removed from the report as well.

**New or Updated Level 1 Validation:** NA

**New or updated reports:** .NA
