EMIS Release Notes- Updated Manifest

Collection Request Name: Spring End of Course State Assessment Collection FY18

Description of Change: The Missing report has been turned on. It will display students who meet enrollment criteria for having to report a test but the required test is not being reported by the district. Students missing due to having vendor results will be loaded when vendor results are available.

Planned Availability Date: 5/3/2018

Version Number: 2

Updated Version Requires:

- **Starting a new/restarting the current collection of data?** No
- **Running a new prepare of the collected data?** Yes
- **Replacing any data already submitted to ODE with a new submission?** No

"Updated Version Requires" Additional Information:

Known Issues: When "FA.1002 – Duplicate Scores for Assessment Area reported" appears on the Level 1 report, it will show all records for the same subject area including ones outside of the test administration window. Once the duplicate error is fixed, by removing the extra records that have a Test Date, element FA 210, within the test window for the same subject test, the records with dates outside of the test window will be removed from the report as well.

New or Updated Level 1 Validation:

New or updated reports: Missing report for Missing Report -EOC Spring Assessment Collection FY18.
