Collection Request Name: Middle of the Year Student Collection (FY21)

Description of Change: See below for details about new or updated reports and known issues resolved sections.

Planned Availability Date: 4/8/2021

Version Number: 4

Updated Version Requires:

- **Starting a new/restarting the current collection of data?** No
- **Running a new prepare of the collected data?** For some EMIS reporting entities
- **Replacing any data already submitted to ODE with a new submission?** For some EMIS reporting entities

"Updated Version Requires" Additional Information: N/A

Known Issues Resolved: The prior year columns of the WKCD-002 report now contain actual counts from the prior year, instead of 0's. Also, the PERC_CHANGE (Percent Change) column now has an accurate change, which no longer is a copy of the CY_PERCENT_OF_TOTAL column.

New or Updated Level 1 Validation:

Error #	Description of Change
MR.0031 (A)	Assigned suffix (A). This check has been corrected to no longer fatal FD records that had effective start and end dates on or before 12/1/20. A district that had these errors in the past for dates prior to 12/1/20 should re-prepare their data to see that the error has been cleared.
MR.0031 (B)	New check that will fatal any PS student that turns 6 years old after 12/1/20, whose birthday is on or before the date of the prepare and is still coded with a Developmental Delay disability code (16).
