EMIS Release Notes – New Collection Request

Collection Request Name: Spring Early Learning Assessment Collection (FY23)

Collection Request Description: This collection is required for any entity that administered Early Learning Assessments during the spring administration window. The source file is the FA Record type labeled with the A data set. Data must be uploaded in EMIS Manual format through the Data Collector Data Sources tab. All FA assessment types can be included in the upload file, but only records with the Assessment Type Code of GB will be reported to the Department and appear in the Student Assessment (FA) Record preview for this collection. This version includes a missing report for students who were enrolled during the test administration window. Students who are missing due to having vendor results will be added in a later version.
