

## EMIS Release Notes – Updated Manifest

**Collection Request Name:** Exiting Student Follow-Up – Initial (FY23)

**Description of Change:** Updated the collection of fatal or missing students' records, to include the submission of the CTE Program of Concentration, CTE Follow-up IRN, Grad Follow-up IRN, and SWD Follow-up IRN. Additionally, added the default value '\*\*' for all records that do not include a CTE Program of Concentration Code; which now stops the FW.0007 error on that field. It is recommended that every LEA that has submitted, download the new reports and resubmit under this version.
