EMIS Release Notes – New Collection Request

Collection Request Name: SOES Student Contact(s) Collection (FY23)

Collection Request Description: This collection is required for all community schools and STEM districts. The source files are the GI, FF, and FG Record types labeled with the S data set. Data must be uploaded in EMIS Manual format through the Data Collector Data Sources tab. This collection request is for the resident district, community school, and STEM district to see student name and contact information in regard to student conflicts. This data is sent directly to the State Software Development Team and will be merged with the SOES Student (S) Collection that is sent to the Department on a nightly basis to be displayed in the Ohio District Data Exchange (ODDEX) system.
