

EMIS Release Notes – Updated Manifest

Collection Request Name: SOES End of Year Student Collection (FY23)

Description of Change: Added new Level 1 validation checks, updated validation check GE.0023, added new Level 2 report, and updated Level 2 FTE Summary reports.

Planned Availability Date: 5/4/2023

Version Number: 4

Updated Version Requires:

- **Starting a new/restarting the current collection of data?** For some EMIS reporting entities
- **Running a new prepare of the collected data?** For some EMIS reporting entities
- **Replacing any data already submitted to ODE with a new submission?** For some EMIS reporting entities

“Updated Version Requires” Additional Information: None

Enhancements: None

Known Issues Resolved: None

Outstanding Issues: None known

New or Updated Level 1 Validation:

- Added Level 1 validation (warning/critical) checks to highlight cases where a DN attribute is very close to the end of the statewide testing window for assessments ASMTFG3ELA, ASMTSPRELA, and ASMTSPRMSS to help districts in case they are reporting inaccurately (see Change 23-145):
 - DN.0040 – the attribute start date is within 6-10 days of the end of the test window
 - DN.0041 – the attribute start date is within 5 days of the end of the test window
 - DN.0042 – the attribute start date is a weekend day
- Updated validation check GE.0023 to include NIEP (Change 23-149).

New or Updated Reports:

- Added the Level 2 (ENRL-003) Student English Learner Status Report (see Change 23-120).
- Updated Level 2 FTE reports removing rows where the value of the FTE across all dates is zero. This will also ensure that the row counts displayed for each report match the number of rows in the report:
 - (FTES-005) FTE Daily Summary Report–Students District is Educating
 - (FTES-006) FTE Daily Summary Report–Students Initially Funded at District
 - (FTES-007) FTE Daily Summary Report–Transfers
