

EMIS Release Notes – Updated Manifest

Collection Request Name: Midyear Student Collection (FY24)

Description of Change: Level 1 validations updated, added, and removed.

Planned Availability Date: 1/24/2024

Version Number: 2

Updated Version Requires:

- **Starting a new/restarting the current collection of data?** For some EMIS reporting entities
- **Running a new prepare of the collected data?** For some EMIS reporting entities
- **Replacing any data already submitted to ODE with a new submission?** For some EMIS reporting entities

“Updated Version Requires” Additional Information: None

Enhancements: None

Known Issues Resolved: None

Outstanding Issues: None known

New or Updated Level 1 Validation:

- Updated validations FS.0092 and FS.0093 to include Sent Reason 2 (FS230) and Sent To Percent of Time 2 (FS250) (see Change 24-33).
- Updated validation FS.0017 to exclude Sent Reason option EX (see Change 24-33).
- Added validation MR.0064 – When an FS record is submitted with Sent Reason option EX, a Student Discipline (GD) Record with Type of Discipline (GD070) option 1-Expulsion must also be submitted.
- Added validation MR.0065 – When a Student Discipline (GD) Record is reported with Type of Discipline (GD070) option 1-Expulsion, an FS record with Sent Reason option EX must be reported with a start date within 15 days of the discipline date as reported on the GD record.
 - The exception is if the student is withdrawn within 15 days of the expulsion.
- Removed validations GQ.0002, GQ.0004, GQ.0012, GQ.0013, and GQ.0014 because dates are no longer required for reporting the Student Program (GQ) Record.

New or Updated Reports: None
