EMIS Release Notes- Updated Manifest

Collection Request Name: OELPA Assessment Collection FY19

Description of Change: Missing report has been updated to reflect students who have vendor results and students who meet enrollment criteria for having to report a test, but the required test is not being reported by the district. The Supplementary report is also available. It lists students who are in your submission and are not on the missing report therefore ODE is not expecting this student to be reported. Districts are encouraged to verify that these students should be reported.
