Glossary:

Proficiency Level: Score on test at which students meet or exceed expectations for proficiency on each assessment.

State Standard: The State Board of Education minimum requirement is that 75% of students in 4th, 6th and 9th grades are at or above the proficient level on statewide assessments. The standard increases to 85% of students at the proficient level for the results on the 9th grade proficiency test at the end of 10th grade. The non-test standards are a 90% graduation rate and a 93% attendance rate.

Similar Districts: School districts similar to yours based on comparing district size, poverty levels, socioeconomic status (family income, education levels, professions) and factors related to urban or rural location and overall property wealth.

NC: Not Calculated. Based on federal and state privacy laws, NC is used when there are less than 10 members in a sub-group to protect the identity of those individuals. Data is received on all students. All students are included in the report of overall proficiency levels for the school and district.

TAKING A CLOSER LOOK AT YOUR SCHOOL'S ASSESSMENT RESULTS

By presenting statewide proficiency results, we hope to help parents and teachers work toward the educational success of every student. **Both state and federal law require results to be reported by student sub-groups, including gender, race/ethnicity, limited English proficiency, and students with disabilities.** A closer examination of the achievement of different student groups can identify differences in performance levels. This detailed report is intended to inform schools and communities to help them determine future actions needed to improve learning for all students.

The table below can help answer the following questions:

- ⊙ How are the different racial/ethnic groups in your school performing?
- ⊙ Do females and males reach similar levels of proficiency in your school?
- ⊙ What percentage of Limited English proficient students are meeting state standards?
- ⊙ How are students with disabilities performing?
