

# State of Ohio 2001 School Building Report Card

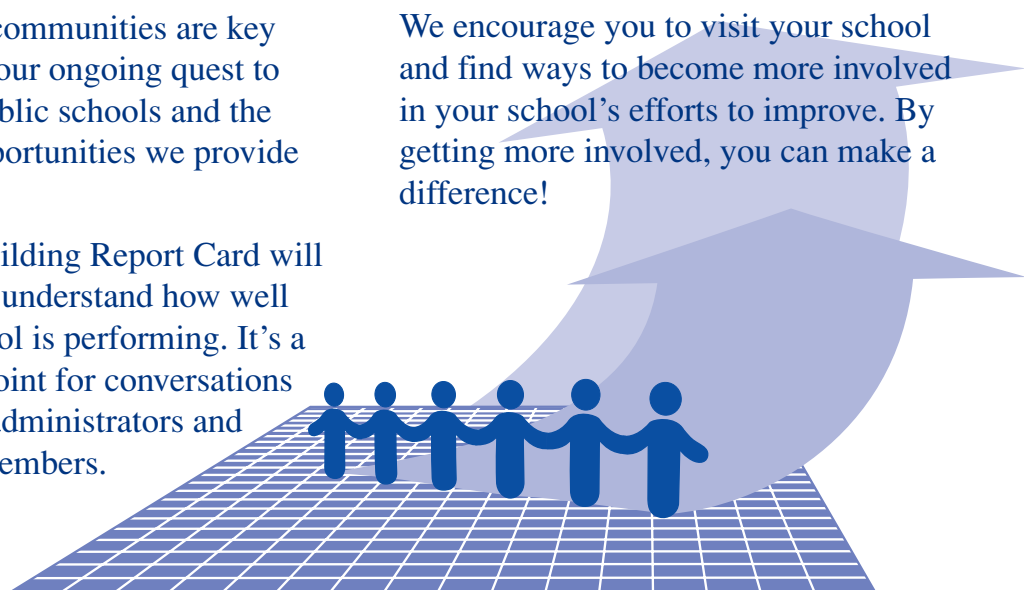

## Cascade Elementary School Elyria City School District

### Lorain County

Parents and communities are key partners in our ongoing quest to improve our public schools and the educational opportunities we provide our children.

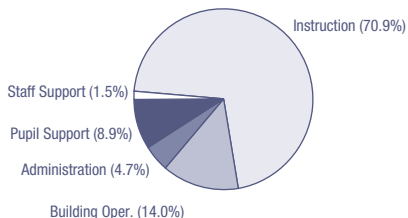

This School Building Report Card will help you better understand how well your local school is performing. It's a good starting point for conversations with teachers, administrators and school board members.

We encourage you to visit your school and find ways to become more involved in your school's efforts to improve. By getting more involved, you can make a difference!

6th Graders Promoted to 7th Grade (%)	100.0	100.0	100.0

## Questions to Discuss With Your School

- ✓ Is your school achieving — or close to achieving — the state's minimum performance standards?
- ✓ Has your school's performance improved or declined over the last three years?
- ✓ How is attendance likely to affect learning and test scores? What efforts are under way to keep students in school?
- ✓ How is your school doing compared to the overall district and state performance?
- ✓ What efforts are under way to improve areas where results are not satisfactory or where the school is not improving?
- ✓ What other indicators of academic performance are available for your school?

**To ask about your own child's performance, or for more information about your school, contact your school office at (440) 284-8001.**
