## 2002-2003 SCHOOL YEAR NON-DISABLED REPORT CARD

201 S Main St, Wellington, OH 44090-1345 — (440) 647-4286 — Lorain County  
CURRENT SUPERINTENDENT: Howard Dulmage

In this report, the test statistics are shown with only the non-disabled students included to more closely match calculations from previous years. Ohio's new accountability system counts all tested students when determining the designations for districts, including students with disabilities. The number of indicators met and the performance index score shown below do not impact the district's designation but does allow comparison of a district's progress over time.
